## England Rejects "Trade" Offered and Plans to Blockade the German Coast

### ENGLAND TO PROCLAIM AGAINST SHIPMENT OF FOOD TO GERMAN PEOPLE

LONDON, FEB. 16.—GERMANY'S PROPOSAL THAT ENGLAND  
ABANDON ITS EMBARGO UPON NECESSITIES CONSIGNING TO GERMAN  
CIVILIANS IN RETURN FOR GERMANY'S CALLING OFF HER SUB-  
MARINE CAMPAIGN AGAINST BRITISH SHIPPING WAS PRESENTED  
TO THE CABINET AT AN EXTRAORDINARY SESSION TODAY. IT IS  
RELIABLY REPORTED THAT THE PROPOSAL WAS REJECTED IN ITS  
ENTIRETY.

A LATER ANNOUNCEMENT SAYS KING GEORGE WILL CALL THE  
PRIVY COUNCIL TOGETHER LATE TODAY OR TOMORROW, AT  
WHICH THE KING WILL SIGN A PROCLAMATION PROHIBITING THE  
TRANSPORTATION OF FOOD STUFFS TO GERMANY AND PROVIDING  
VARIOUS OTHER RETALIATORY MEASURES AGAINST THE THREAT-  
ENED BLOCKADE OF ENGLAND. IT IS UNDERSTOOD THAT A BLOCK-  
ADE OF THE GERMAN COAST IS BEING PLANNED.

BERLIN, FEB. 16.—ZEPPELINS WILL PARTICIPATE IN THE BLOCK-  
ADE OF THE BRITISH COAST, ATTACKING BRITISH SHIPS THAT ES-  
CAPE FROM SUBMARINES. GERMAN SHIPS WILL STREW THE  
WATERS ALONG THE COAST OF THE BRITISH ISLES WITH MINES.

### KAISER RECEIVED WHAT HE EXPECTED TO GET— NUMEROUS PROTESTS

BERLIN, FEB. 16.—GERMANY'S EXPECTATION THAT NEUTRAL  
COUNTRIES WOULD PROTEST AGAINST THE PROCLAMATION DE-  
CLARING A WAR ZONE AROUND THE BRITISH ISLES WAS AMPLY  
JUSTIFIED. THUS FAR, SIX NEUTRAL NATIONS—THE UNITED  
STATES, HOLLAND, ITALY, GREECE, NORWAY AND DENMARK—HAVE  
MADE REPRESENTATIONS TO THE FOREIGN OFFICE. ALL OF THE  
COMMUNICATIONS ARE COUCHED IN FRIENDLY TERMS. GERMANY  
HAS MORE PRELIMINARY ANSWERS PLACING FULL RESPONSIBILITY  
UPON ENGLAND, FOR CUTTING OFF THE FOOD SUPPLY OF GERMAN  
CIVILIANS.

### WAR FEVER RUNS HIGH IN ITALY; MOBILIZE IN 10 DAYS, SAYS GARIBALDI

LONDON, FEB. 16.—A DISPATCH RECEIVED HERE TODAY SAYS  
ITALY HAS ASKED GERMANY AND AUSTRIA TO PROMISE THAT THEY  
WILL NOT INVADE ROUMANIA. THIS ACTION, IT IS STATED, WAS THE  
RESULT OF AUSTRIA'S THREATENING THE ROUMANIAN FRONTIER.

GENERAL GARIBALDI TODAY PREDICTED THAT ITALY WILL MOB-  
ILIZE HER COMPLETE WAR STRENGTH WITHIN TEN DAYS, AND DE-  
CLARED THAT THE WAR SPIRIT IN ITALY IS GROWING VERY STRONG.

#### BRITISH RETAKE TRENCHES.

PARIS, Feb. 16.—British troops have recaptured the trenches taken by  
the Germans near Stelci, in Flanders.

BERLIN SAYS BRITISH FAILED TO TAKE TRENCHES.

BERLIN, Feb. 16.—Germans captured Plock and Bielsk, north Poland  
towns, on the right bank of the Vistula river, after a short fight, taking 1,000  
prisoners. British efforts to take trenches in Flanders near Stelci failed.

### AFTER FEB. 18 ALL SHIPS LOOK ALIKE TO GERMANS

COPENHAGEN, FEB. 16.—A SEMI-OFFICIAL DISPATCH FROM BER-  
LIN SAYS GERMANY WILL TAKE NO NOTICE OF "HOME COLORS"  
PAINTED ON NEUTRAL VESSELS, AND THAT ALL SHIPS ENCOUN-  
TERED AFTER FEBRUARY 18TH WILL BE TREATED ALIKE BY GER-  
MAN WARSHIPS. THE GERMAN REPLY TO THE UNITED STATES' NOTE  
IS TO BE FRIENDLY BUT VERY FIRM.

### SHIPPING BILL TO PASS UNDER SPECIAL RULE; CLARK GIVES WARNING

WASHINGTON, FEB. 16.—THE HOUSE DEMOCRATIC CAUCUS  
EARLY THIS MORNING ADOPTED THE ADMINISTRATION SHIP-  
PURCHASE BILL BY A VOTE OF 154 TO 29. SEVENTEEN DEMOCRATS,  
AMONG THEM MAJORITY LEADER-ELECT KITCHIN AND REPRESENTA-  
TIVE FITZGERALD OF NEW YORK WILL NOT VOTE FOR THE BILL,  
WHICH IS TO BE PUT THROUGH THE HOUSE UNDER SPECIAL RULE,  
AFTER SIX HOURS' DEBATE.

SPEAKER CLARK BROUGHT MANY WAVERING MEMBERS INTO  
LINE WITH THE WARNING, "YOU HAVE WANDERED IN THE WILDER-  
NESS 16 YEARS AND WILL WANDER THERE AGAIN UNLESS YOU  
FOLLOW THE LEADERSHIP OF YOUR PARTY."

SENATE LEADERS TODAY PLANNED TO WAIT FOR THE BILL TO  
COME FROM THE HOUSE. THEN, IT IS ANNOUNCED, THERE WILL  
BE "SOMETHING DOING."

WASHINGTON, FEB. 16.—A TEST VOTE TAKEN IN THE HOUSE  
MAKES PRACTICALLY CERTAIN THE PASSAGE OF THE SHIP-PUR-  
CHASE BILL TONIGHT. THE PRESIDENT FAVORS CLOUTURE IN THE  
SENATE, INDICATING HIS BELIEF THAT THE TIME HAS ARRIVED  
WHEN OBSTRUCTION OF LEGISLATION BY THE RIGHT OF UNLIMITED  
DEBATE MUST CEASE.

### BRITAIN'S AIM TO KEEP FOOD OUT GERMANY NOT WELL RECEIVED BY U.S.

WASHINGTON, FEB. 16.—THE PROCLAMATION MAKING FOOD  
STUFFS ABSOLUTE CONTRABAND, WHICH GREAT BRITAIN IS PRE-  
PARING TO ANNOUNCE, IS EXPECTED TO BE OPPOSED BY THE  
UNITED STATES. EVIDENTLY THE STATE DEPARTMENT WILL COM-  
BAT ANY PRONOUNCEMENT WHICH ENTIRELY ELIMINATES CONDI-  
TIONAL CONTRABAND FROM NEUTRAL SHIPS IN WAR TIME.

THE WILHELMINA'S CARGO CASE WILL BRING THE ISSUE TO A  
FOCUS. IT NOW SEEMS CERTAIN THAT GREAT BRITAIN WILL TRY  
TO KEEP ALL AMERICAN FOOD STUFFS OUT OF GERMANY.

#### DR. LESTER C. MITCHELL SUCCUMBS TO PNEUMONIA

Mrs. Harry C. Thompson has re-  
ceived word of the death of her step-  
father, Dr. Lester C. Mitchell, at Ham-  
burg, N. Y. Mrs. Mitchell came to  
Daytona recently to spend the re-  
mainder of the season and had been  
here less than a week when she was  
called home by a telegram announcing  
that Dr. Mitchell was very ill with  
pneumonia. The doctor had spent a  
number of seasons or parts of seasons  
in Daytona in company with his wife  
and had many friends here who will  
learn with regret of his demise, while  
Mrs. Mitchell will have their sympathy  
in her bereavement.

**MARSHALS' HUNT FOR  
CHICKEN THIEF UNSUCCESSFUL**  
Marshal Lowe, of Seabreeze, and  
Marshal Ensign, of Daytona Beach,  
had an unsuccessful search for a  
chicken thief Sunday. The hen-house  
of Mrs. F. A. Newell at her cottage  
near the automobile club house was  
robbed of a half dozen fine pullets,  
late Saturday night or early Sunday  
morning. Marshal Lowe was notified  
Sunday morning of the loss. He im-  
mediately started on his wheel for  
the house, but stopped at Daytona  
Beach and took Marshal Fugue along  
with him. The thief had been com-  
mitted after the rain, and the thief  
was traced through the bushes until  
the officers reached Silver Beach  
avenue, where all trace was lost.  
Marshal Lowe is of the opinion that  
a bicycle or automobile was mounted  
at this point.

**TOURISTS' BIBLE CLASS SEA-  
BREEZE AVE. M. E. CHURCH**

The enrollment of this class has  
now reached 257. The attendance  
last Sunday was 102, taxing all the  
standing room.

Mrs. Hawkins, of Lexington, Ky.,  
a sister of Mrs. Embry, arrived a few  
days since and joined the latter at  
the Kentucky house.

Mr. Sodden, the class instructor,  
taught the regular lesson, "The Call  
of Samuel." It is a clear practical  
manner.

The latter part of the hour was  
taken by Dr. Gilbert Frederick, of  
Chicago. He spoke on "Secret  
Power" as seen in the workings of  
God in natural and individual life.

Mrs. Mable Stevens, of St. Peters-  
burgh, a very brilliant woman, will  
address the class next Sunday.

The next number in the series of  
entertainments given by this class  
is a lecture tonight by Dr. Garvine  
on "God in War."

These rooms should be rented; that  
finished house let. Try a word in  
this department.

Mrs. M. S. Gay, of Crawfordville,  
Ind., season guest at the Seaside  
Inn, entertained a party of 18, Tues-  
day evening, at a luncheon and cards.  
The invitations included Mr. and Mrs.  
H. T. M. Treglown and Mr. Peabody  
and Miss Schroeder, the remainder  
of the company all being guests at

Mr. and Mrs. Shaw, of Ohio, have  
recently leased and are occupying the

Mrs. F. A. Mosely, of Lexington,  
Ky., recent arrival, has taken rooms  
in the Sherwood home on Hollywood  
avenue.

The following Sanford automobile  
party dined Sunday at the Seaside  
Inn, John Meisch and wife, J. Love  
and wife, C. Kugwed and Mr. Breun-

ner.

S. J. Peabody, of Columbia City, Ill.,  
who has been at the Seaside Inn since  
early December, is now domiciled in  
his handsome new home on Halifax  
avenue. Mr. Peabody entertained a  
party of friends at a dinner at the  
Inn Sunday.

Mr. and Mrs. F. A. Gordon and son,  
Arthur, were guests at the pleasant  
home of Mr. and Mrs. Edw. Pierce on  
the Halifax for two or three days the  
latter part of last week, returning to  
their home at Enterprise Friday after-  
noon. They motored over and back  
as usual.

C. S. Gould, winter resident of  
Seabreeze avenue, is now in Jackson-  
ville under treatment at a sanitarium.  
Mr. Gould went up to the city last  
Wednesday. He was accompanied by  
Mrs. Gould. He has been sick for  
two months or more with an organic  
trouble.

On Saturday evening Mrs. Cora  
Powell gave a very delightful musical  
and social function at her home on  
Grandview avenue, in compliment to  
Mrs. Sparber's two visitors, Miss  
Sparber and Miss Phillips, and to  
give mutual friends an opportunity of  
hearing Miss Sparber sing. The en-  
tertainment of the evening included  
several vocal solos by Miss Sparber,  
whose voice has wonderful sweetness  
and strength; several readings by Miss  
Phillips and whistling selections by  
Miss Dela Walker. Dainty refresh-

passed most pleasantly to all.

the prizes awarded, handsome heart

merriment was afforded by the  
comic valentines mailed to the guests  
from an improvised postoffice, the  
valentines being read aloud by the  
postmaster for the edification of the  
company.

Mrs. Milo M. Ranney, who had been  
at the Klock hospital, Daytona, for  
the past four weeks, returned to the  
winter home of her mother, Mrs. Dora  
Schertz on Hollywood Sunday night,  
bringing a beautiful rose-bud boy,

is the first son and the second child

grandson of Mrs. Schertz, and the entire  
family are radiant over his arri-

a perfect specimen of healthy young  
manhood. Mr. Ranney is a prominent

#### BAPTIST RALLY AT DETROIT FEBRUARY 16

DETROIT, Mich., Feb. 16.—Many of the leading missionary and denominational leaders of the Baptist church in the United States are on the program as speakers at the state midwinter rally to be held here today and tomorrow.

The rally brings together such speakers as the Rev. Arthur Baldwin, of Boston, foreign secretary of the foreign mission society; John M. Moore, of the department of missionary education; Frank W. Padelford, educational secretary of the northern Baptist convention; Guy Lamson, missionary and Bible secretary of the publication society, and Ernest S. Butler, treasurer of the foreign mission society. In addition to these, local pastors will be called upon to deliver addresses and lead discussions.

The purpose of the rally is educational.

If you see it in the Daily News it is pretty apt to be just that way.

#### AMERICANS TO PLAY GOLF AT HAVANA

HAVANA, Cuba, Feb. 16.—The third annual golf tournament for the amateur championship of Cuba will be held over the links of the Country club of Havana beginning today and ending Saturday. All amateur golfers of the United States and other countries are invited to take part, and it is expected that such players as Walter J. Travis, of Garden City, present lifeholder; Chick Evans, of Edgewater, the western amateur golf champion; Oswald Kirby, of Englewood, and Arden M. Robbins, of Garden City, will take part. Travis has won the title both years.

#### Safe That Time.

Sportsman (in auto, calling to boy in field by roadside)—"Hi, there, sonny! See anything to shoot around here?" Boy—"Yep; but ye needn't be scared, mister. It's jest my luck always not to have my gun along with me."—Judge.

#### To Separate Tumblers.

When two glass tumblers or dishes stick together so that there is danger of breaking by forcing them apart, put cold water into the inner one and place the outer one in warm water.—"Home Department," in National Magazine.

#### Consider the Poor.

It is written not, "Blessed is he that feedeth the poor," but "Blessed is he that considereth the poor." And you know a little thought and a little kindness are often worth more than a great deal of money.—Ruskin.

A CLEVER  
RUSE

By JOHN TURNLEE

A gentleman boarded a North river  
boat at New York one afternoon, went  
to the purser's office and engaged a  
stateroom, giving his name, Edgar  
Rawlins. He was followed by a man  
who was given a room near him and  
whose name was entered as Thomas  
Brown. In the evening as Mr. Rawlins  
was coming out of his room he was  
met by Mr. Brown, who said:

"Peg pardon, sir! Have you a bunch  
of keys?"

"I have."  
"I have left the key of my suit case  
at home. Would you kindly let me  
have your ring that I may see if there  
is one on it that will fit my lock?"

Mr. Rawlins produced his keys and  
handed them to Brown, who went into  
his stateroom. He remained there several  
minutes, then returned and thanked  
the man who had favored him, re-  
gretting that he had not found a key  
that would serve his purpose, but he  
was just as much obliged.

Mr. Rawlins forgot this seemingly  
unimportant episode, making a journey  
to Chicago and returning within a  
week. The day after his arrival at  
home he went to his private safe,  
opened it, put away some papers that  
he had taken with him on his journey  
and was about to close it when he no  
ticed that a drawer in which his wife  
kept some valuable jewels was partly  
open. He pushed it back in place,  
then, he knew not why, pulled it out  
far enough to enable him to look  
within.

It was empty!  
He examined every other drawer in  
the safe to see if the jewels had been  
placed elsewhere, then called his wife  
and asked her if she had removed  
them. She said she had not. A thor-  
ough search of the safe was made, but  
the jewels were not found. There  
had been no breaking into the house,  
so far as was known, and if there had  
been the safe could not have been

opened and locked again without the  
key, which Mr. Rawlins always kept  
in his possession, and there was no  
duplicate.

The loss of the jewels was a mystery.  
If the lock had been picked it must  
have been done by some one who  
lived in the house. Yet there was  
no one there who had the mechanical  
skill requisite to pick a lock and no  
one suspected of having the slightest  
desire to perpetrate a theft. The in-  
mates consisted of Mr. and Mrs. Raw-  
lins, a son twenty-one years old, steady  
as a clock; a daughter eighteen and  
the servants, who had been with the  
family many years. Both the son and  
the daughter had their friends, who  
with other guests, had been where the  
safe was kept in a hallway at the rear  
of the house on the second story. No  
person except a friend of the family  
was known to have been there during  
the limit of time when the jewels  
must have been taken.

No hope was entertained of regaining  
the lost jewels, but it was finally  
decided to employ a detective for the  
purpose of making an effort to solve  
the mystery. Edward Joyce was sent  
to the house by the agency applied to  
and, after a thorough examination of  
every one in the house, set about  
looking over the premises. He tested  
each lock of both door and window  
and found all in good order, though  
no one could vouch for the window on  
the second story having been locked.

In the rear of the house was a grape  
arbor not quite so high as the second  
story windows and about ten feet  
from the house. Any one, by climbing  
the arbor, could rest a twelve foot  
ladder on it and thus reach the win-  
dow. The detective, by means of a  
magnifying glass, discovered root-  
marks on the side slats and one of the  
slats had been freshly broken. The  
widow near the arbor opened into the  
hall in which stood the safe.

The detective, after making an ex-  
amination of this route to the safe, de-  
clared that the house must have been  
entered by it and the robbery committed  
at the same time. But he was no  
nearer to how the safe could have been  
unlocked and relocked than before. A  
theory was advanced that the thief had  
gone to Mr. Rawlins' clothes, stolen  
the safe key and replaced it after com-  
mitting the theft. But Mr. Rawlins,

when at home, slept with his bedroom  
door locked and was not at home when  
the jewels were taken.

Mr. Joyce's next step was to call  
for the safe key. On receiving it he  
slipped it through his fingers and no  
noticed that it felt as if it had been  
waxed. Bringing a powerful pocket  
microscope to bear on it, he asked  
Mr. Rawlins if it had been out of his  
possession. The reply at first was  
"No," but presently remembering that  
he had loaned his keys for a few min-  
utes to a man on the boat to try if  
any of the keys would fit his suit case  
he told Mr. Rawlins the story of the  
lawn. The detective handed him his  
key and said:

"The problem of how your safe was  
opened is very plain. As to your re-  
covering the jewels, that is another  
matter. When the man who borrowed  
your keys carried them into his state  
room he took an impression with wax  
of your safe key. He doubtless knew  
or learned afterward who you were and  
where you lived. With a safe key made  
from the impression he had taken in  
wax he opened your safe and took the

### DAYTONA BEACH COUNCIL MEETING

CLERK'S ABSENCE PREVENTS THE HOLDING OF REGULAR MEETING LAST NIGHT--MATTERS OF IMPORTANCE.

Owing to the absence of Clerk Harry Horn, the Daytona Beach city council did not meet in regular session last night. The meeting, however, will take place at the town hall at 3:00 p. m. today, when various matters of more or less importance will be considered by the council.

A petition, signed by a large number of property owners, will be presented to the councilmen, protesting against the erection of a garage on a lot recently purchased by Orlando parties on Seabreeze avenue, Daytona Beach.

The matter of extending Ocean avenue through the south end of the town so as to connect with the same avenue running along the ocean front in Bostwick Park and other subdivisions in that locality, will probably receive some action on the part of the law-makers.

H. F. Thompson, chairman of a committee recently appointed by the local fire department, will attend the meeting in the interests of the organization which has numerous requests before the council asking for additional apparatus. Some of the things that are most needed are another whistle, tank and telephones in the fire chief's residence and at the power house.

### HUNTED SNIPE BY CANDLE LIGHT ON THE PENINSULA

Mr. and Mrs. H. H. Behise and son, Joe, of Saginaw, Mich., who are spending the season at Seabreeze, have with them as their guest Donald MacGee, of Saginaw. Of course pretty much everybody is familiar with the game birds known as snipe, and Geo. C. King, of Hot Springs, Ark., a brother of Mrs. Behise, who is also with them, professes to have had much experience in hunting the birds and offered to initiate Mr. MacGee into the mysteries of capturing snipe by candle-light, and for this purpose the gentlemen repaired to a spot on the peninsula about a mile north of the Nautilus casino, Saturday evening, where Mr. MacGee was carefully stationed in the thick scrub, holding open the mouth of a cloth sack for the snipe to enter. He was provided with a candle to illuminate the entrance to the sack and told to whistle softly to entice the birds. Mr. King and Mr. Behise volunteered to drive the birds toward Mr. MacGee and so left him. Later, much later in the evening, he rejoined them at the house where they had repaired to await his return, and give him a becoming welcome. He returned without snipe, even without the bag, and was glad to retain even his clothing after travel-

ing through the dense scrub in the dark, for his patience held out as long at least as the candle.

### CONCERT PIANIST AND LECTURER COMING HERE

THE BLIND PIANIST, OF BOS-

LECTURE AT M. E. CHURCH.

An event that is looked forward to by the music-loving public of Daytona, both resident and tourist, is the lecture-recital to be given by Sir Edward Baxter Perry, the noted blind pianist, Thursday evening, February 18th, under the auspices of the Ladies' Aid society of the First Methodist church. Sir Perry has a reputation as a pianist in Europe as well as America, having appeared in many of the principal cities of the old country. In recognition of his distinguished artistic merits, he was given the cross of the Order of Melusine, by Prince Guy de Lusignan, which conferred upon him the rights and privileges of a belted knight.

The lecture-recital will consist of a regular concert program of piano works, accompanied by an informal

lecture, centering chiefly about the compositions presented, but touching incidentally upon points of interest in the lives and characters of the great masters and running into the fundamental principles of art and aesthetics. He relates any stories, traditional or experiences upon which the various numbers of the program are founded.

The following is what the London

Crystal Palace Chronicle had to say of Sir Perry:

"Mr. Perry proved himself a master of pianoforte technique, whose skill is reinforced by a warm poetic temperament and superior musical intelligence. His tone is full and resonant and unusually elastic in quality. His legato effects in arpeggios and passage work and the octave technique of the left hand are points in which his playing particularly excels. His interpretations show a strong feeling for the emotional and dramatic in musical art, and his playing succeeds in holding the attention and interest of an audience to a degree unusual with a pianoforte program."

HER VISITING DAUGHTER

Mrs. D. B. Farmer, of Jacksonville, came down from that city Sunday for a few days' visit with her parents, Mr. and Mrs. John O. Olson, and other members of the family at their home on West Magnolia avenue, and Monday afternoon Mrs. Olson gave a pleasant tea party in honor of Mrs. Farmer, who is making her first visit home since her marriage last fall.

## ABLIND MAN'S FIGHT

By M. QUAD

Copyright, 1914, by the McClure Newspaper Syndicate

Without doubt the most singular duel that ever took place in the United States occurred at Santa Fe, N. M., many years ago. It occurred several years previous to the first Pacific railroad and while yet every pound of goods going to the far west had to be hauled across the great plains by freight wagons or sent around Cape Horn by sea.

Two men in a Rogers & Blair outfit fell in love with the same girl in Santa Fe. One was an American named Jack Hines, and the other was a full-blooded Mexican, who was simply known as Don. The girl was a half breed, and none of us outside the two rivals thought her worth fighting over.

The affair had gone on for seven or eight months before the outbreak came. We were in Santa Fe, making ready for a start east, when the Mexican one evening approached a fire beside which Hines sat alone and threw a package of powder on the blaze.

With a leap aside he escaped consequences, but Jack Hines was blinded for life. It was a contemptible thing to do, and for the civil authorities the Mexican would have been lynched.

As it was, he was kicked and beaten and bounced out of camp. A day or two later, as the girl had gone back on him, he tried to carry her off by force, but had to let her go when she stabbed him. Hines depended on her pity in his misfortune, but she calmly told him that a blind husband would be of no use to her and laughed his tears to scorn. He had a relative in the city and was taken in and cared for, while the Mexican crossed the Rio Grande for a time. It was a year later, and Jack's old outfit and all his friends happened to be in Santa Fe again when Don returned. He had grown uglier and meaner in the twelve months. We would have picked a fuss with him and shot him down, but Jack Hines had no sooner heard of his presence than he fled.

"Boys, you must arrange for a duel. I shall never rest content until I have killed that Mexican!"

"But you are blind!" we protested.

"Never mind that. I must fight him and kill him, blind or not, and the whole of Santa Fe shall look on!"

When we found that he would have it so we carried a challenge to Don and also asked the authorities to let us have a public duel. Some weak objections were made, but they yielded the point. A fight of some sort was an hourly incident, and duels came off two or three times a week.

"Yes, I will meet the Americano," he said, "and I will slice and cut and prick for one hour by the watch before I give him the grand finish! The crowd that looks on will see some of the finest knife play ever shown on this side of the river. Tomorrow at noon, eh? I will be as prompt as the sun!"

You may believe that when the report spread about there was a great excitement. It was generally believed that the blind man would fall an easy victim, but even his best friends said that he had better die with a knife in his hand than to live in a helpless state the rest of his life. To three or four Jack confided his belief that he would triumph. His bearing had become as acute as a fox's, and he would make his ears see for him. He was in perfect health, had the nerve and courage of a lion and he believed he had a chance.

At high noon of an August day over 4,000 people, many of whom were women, assembled on the smooth turf to witness the strange combat. A ring of ropes was formed, and the spectators formed another. It was to be a duel with knives, and seconds and a referee were appointed. After each five minutes there was to be a rest. Foremost among the spectators was the girl who had caused it all, and she was free to say she didn't care who triumphed. Each man was allowed to wrap his left arm in a serape or cloak, and all cheering or advising was forbidden. The blind man was pale faced and nervous as the fight began, but his hard shut teeth told of the determination in his heart. The Mexican was all bows and smiles and confidence, and as he was known to be an adept with the knife a groan went about the circle as the two stepped forward to open the fight.

That duel was something to be remembered for all time. From the blind man's movements no one could have told that he was sightless. For four five-minute rounds they fought with only a few trifling scratches on either side, but if there was any advantage it was on the side of the American, who had the full sympathy of the crowd, Mexicans and all. When they came out for the fifth round Don winked and clucked and said it was time he began slicing ears off. Hines had located his man in half a breath, and as they faced each other the American leaped forward like a flash, caught the knife on his side and threw it to the left, and the next instant his own blade had found the heart of the man who had blinded him. We who were only five feet away could not follow the movement, so swiftly was it made, but it was a successful one and, of course, ended the fight. Hines told me that during the fight he seemed to see every move and motion made by the other and from the first felt sure of victory. A public purse amounting to over a thousand dollars was raised for him on the spot, and about five hundred was subsequently added, and he was sent east to some institution and is today a teacher of the blind and a man too tender hearted to kill a fly.

## TOLD HER SHE WAS LIKE THE HEROINE IN "TODAY"

At least one happy home has been broken up as a result of the bitter truths revealed in "Today," the sensational drama of life by George Broadhurst and Abraham Schomer, to be presented here tomorrow. The New York Morning Telegraph tells the story as follows:

"If Mr. and Mrs. Samuel Kohn, of 357 Vernon avenue, Brooklyn, hadn't gone to see 'Today,' the wife might not now be suing for a separation. In her complaint Mrs. Kohn says her husband greatly humiliated her while they were at the theatre. During the third act, she alleges, he spoke right out, saying:

"Isn't it funny, Janet; this play is taken from your life and mine together?"

"Kohn says his wife's statements are all false. He declares she is extravagant and whimsical. She says he accused her of being unfaithful. He declares he never did. They have two children, girls, aged six and four."

From the manager of the Duval theatre, Jacksonville, Manager Snead received, this morning, a telegram praising "Today." Following is an extract from the message:

"Today," that thrillingly virile play closed its second engagement here this season. Intensely pleased players. Story vividly told by the best acting company ever on my stage. Enthused and held spellbound. The comedy gently leading to most tragic finale was superb."

"Today," that thrilling virile play, atre, Wednesday evening, February 17. Seats now on sale at Hankins.

## Ranson's Prepared Humus Soil Builder and Plant Food

In these strenuous days of intensive farming, growing all there is out of it—growing soil building, some thought. Commercial fertilizers stimulate vegetable life, but it requires humus to nourish and strengthen the soil. Ranson's Prepared Humus is also remarkably rich in nitrogen and other elements essential to plant growth.

Ranson's Prepared Humus is wonderfully beneficial when applied freely to lawns, gardens, groves, flower beds, golf links, trees, shrubbery and potted plants. Costs only one third to one half as much as commercial fertilizers; is five times stronger and lasts ten times longer than barnyard manure. Humus is easily handled, may be applied at any time; is odorless and sanitary. Manure is disagreeable, carries weed seeds, and is a favorite breeding place for flies.

No Need to Plant Legumes and Wait for Vines to Rot

Yours costs nothing for food. Give it a liberal supply of Ranson's Prepared Humus. One customer took some and wrote his name with it on the lawns. In short time the letters stood out plain as day, the most of the grass. Read the testimonial.

The arrivals of the past two days has swelled the house count at the big hotel to nearly 300. Reservations for accommodations are rapidly being made so that prospects for a full house within the next few days are most promising. Many of the old Clarendon guests who spent last season in California, but prior to that year had been at the big Seabreeze resort for several consecutive seasons, are back again this year, some of whom will remain until closing time in April.

### And in a Hurry.

A Chicago doctor says it is possible to know when a person is telling a lie by feeling the speaker's pulse. Censors, press agents, fishermen and some others should take to wearing wristlets.

Mr. and Mrs. W. M. Hankins entertained at a dinner-dance at Hotel Clarendon last evening in honor of Miss Elizabeth Stamm, of Wheeling, W. Va., who has been the house guest of Mr. and Mrs. T. E. Fitzgerald for the past two weeks.

The dinner party was given in the private dining rooms of the hotel and was one of the largest social events that local society has had an opportunity of attending during the present winter season. The table which was artistically decorated with palms and cut flowers, had covers laid for 28 guests, and the dinner was all that could be desired. The menu follows:

#### Menu.

Grapefruit Cocktail, Clarendon Style

Oyster Poule, French Style  
Special Sirloin Steak, with Mushrooms

### NELLIE R. ROSE MADE FLIGHT IN AEROPLANE

She came down in an automobile and was met within a half-mile of the aviation station by Miss Law. The flight was made from this point and a landing made at the same place a few minutes later. Others who have been passengers of late are John Hart, a guest at the Clarendon, and Miss Francis Fielder.

### GUESTS CONTINUE TO POUR INTO BIG HOTEL

A partial list of Clarendon arrivals for Sunday and Monday include E. W. Glynn and Mrs. Glynn, Helen Taylor, Mrs. H. W. Carey and W. F. Glynn, all of Crescent City, Fla.; Mr. and Mrs. C. C. Smith, Pittsburgh, Pa.; Mr. and Mrs. J. N. Blackman, East Orange, N. J.; Mr. and Mrs. Louis Buehn, Philadelphia, Pa.; J. W. Pridmore, Miss Katherine Fay, Chicago; Mrs. W. G. ### CLARENDON MEETS ORMOND AGAIN NEXT WEDNESDAY

The Clarendon base ball team will cross bats with the Ormond boys again next Wednesday, when it is expected that another of those games with "such a closeness" will result. The contest is scheduled to take place at Ormond and the team from Seabreeze together with the "fans" will leave by auto at 3:00 on the beach in front of the hotel.

### MISS NEVELLE DELIGHTED LARGE AUDIENCE SUNDAY

Miss Jean Nevelle, of Boston, Mass., who has been engaged by the Clarendon management to sing at musical concerts on Sunday evenings throughout the season, made her first appearance last Sunday. Her singing was of a high order and greatly appreciated by a large audience.

# OCEAN VIEW HEIGHTS

THERE CAN BE BUT ONE BEST PROPOSITION IN ANYTHING, AS THAT IS SPEAKING IN THE SUPERLATIVE. WHEN WE SAY THAT WE OFFER YOU THE BEST, IN THE WAY OF QUICK RETURNS ON YOUR INVESTMENT, WE MEAN EXACTLY WHAT THE WORD BEST IMPLIES.

THERE ARE MANY OTHER SUBDIVISIONS AROUND DAYTONA, SOME OF WHICH ARE GOOD—WE DO NOT DISPUTE THAT—BUT IF YOU WANT TO MAKE A QUICK PROFIT THERE IS NOTHING TO EQUAL OCEAN VIEW HEIGHTS, AND WE WILL BE GLAD TO DEMONSTRATE THAT OUR ASSERTION IS NOT TOO BOLD—THAT WE OFFER THE BEST.

GIVE US THE OPPORTUNITY TO SHOW YOU THESE SPLENDID LOTS, HIGH AND DRY, WITH THE STREET CAR LINE ALREADY BUILT INTO THE PROPERTY; HARD-SURFACED ROADS BEING BUILT, ELECTRIC LIGHTS, ETC. WHERE THERE IS PLENTY OF SUNSHINE, AND WHERE IT MAY BE HAD FOR LESS MONEY; WHERE THE PRICE OF LOTS IS SO LOW, THE TERMS SO REASONABLE THAT MOST ANYONE CAN BUY AND HAVE A CHANCE TO MAKE SOME MONEY.

THIS IS THE GREATEST OPPORTUNITY EVER OFFERED THE PEOPLE IN THIS SECTION IN REAL ESTATE. BUY AND BE ONE OF THOSE TO TALK OF PROFITS MADE—NOT OF PROFITS MISSED.

REAL ESTATE HAS BEEN THE MOST SAFE AND SOLID FOUNDATION UPON WHICH TO BUILD A FORTUNE. REMEMBER THE ASTORS, VANDERBILTS, GERRYS AND MANY OTHERS WHO ARE FAMOUS FOR THEIR WEALTH, MADE THROUGH JUDICIOUS PROPERTY INVESTMENTS. THEY STARTED WITH NO MORE THAN YOU HAVE TODAY. THEY BOUGHT VACANT LOTS AND ALLOWED THE CITY TO "GROW UP" AND AROUND THEM. SIT DOWN AND THINK IT OVER; COMPARE YOUR SAVINGS ACCOUNT INVESTMENT WITH WHAT OTHERS HAVE MADE IN REAL ESTATE. JUDICIOUS INVESTMENT MEANS TO PUT YOUR MONEY INTO THE RIGHT PLACE—NOT WHERE THE PRICE HAS BEEN INFLATED—WHERE IT WILL BE YEARS BEFORE YOU CAN SELL AT A PROFIT, BUT WHERE THE PRICE IS DOWN ON THE GROUND FLOOR, AND WHERE PROFITS WILL COME IN A YEAR OR TWO.

OCEAN VIEW HEIGHTS IS THE BEST PROPOSITION FOR YOU. LOW PRICES, SMALL PAYMENTS, EASY TERMS, BIG IMPROVEMENTS, SPLENDID LOCATION, AND THE RIGHT KIND OF AN ORGANIZATION TO GET BEHIND AND PUSH MATTERS.

## PROTESTING, SCHMIDT ACCEPTS PRESIDENCY OF THE CITY COUNCIL

PREFERRED TO BE ACTIVE MEMBER, BUT COULDN'T GET OUT OF THE WAY OF ASSOCIATES' "STEAM ROLLER."

At a special meeting of the new municipal council of Daytona, held Monday evening, Henry Schmidt was re-elected president of the body. Mr. Schmidt was very reluctant to accept the position again, and pleaded with his associates to choose somebody else, at the same time intimating that he wanted to be in position to "start something" occasionally, should the opportunity be afforded. There was, however, absolutely nothing doing. It was pointed out that the modest Schmidt is an ideal presiding officer, and that the council could ill-afford to dispense with his services at the head of the "cabinet" table. He finally accepted the job, but threatened to dispense with his services at the head of the "cabinet" table. He is able to make "trouble" by placing himself on committees.

It is expected that a successor to E. L. Gunn, whose resignation was recently filed, will be chosen at the next

MOTORMAN STRUCK BY AUTO, BUT NOT SERIOUSLY INJURED

William Sterns, of Bay street, a motorman on the Central of Florida railway, was struck by F. W. Pope's automobile, shortly before 7:00 o'clock, Monday evening, and sustained a scalp wound. The street car was standing on the switch at Daytona Beach and Mr. Sterns stepped off, evidently without looking, and was struck by the rear fender of the car. He is able to make "trouble" by placing himself on committees.

It is expected that a successor to E. L. Gunn, whose resignation was recently filed, will be chosen at the next

## ONE-THIRD OF A MILLION

### In the East Coast State Bank, Daytona Beach

On Monday, February 15, 1915, I deposited \$100.00 to the credit of the treasurers of the Chamber of Commerce of the Peninsula, and of the Palmetto Club of Daytona, to be expended in any manner these two bodies may see fit to help beautify the three cities, subject to the following

### Conditions

There shall be used in new buildings, repairs to buildings, or retaining walls, within the city limits of Seabreeze, Daytona Beach and Daytona, one-third of a million cement blocks. They may be 8x8x16 in. or 8x8x20 in. or 8x8x24 in.

These sizes will allow any standard machine now in use by the different contractors to be used.

As the combined capacity of the five block-yards easily exceed by a third the number mentioned (one-third of a million), it is up to all to encourage this class of building. The time limit is exactly one year from this date.

(Signed)

### RENEWING ACQUAINTANCES AFTER 40 YEARS APART

Renewing acquaintances after a separation of forty years, F. A. Root of this city, and O. Stokes, of Minneapolis, Minn., spent a busy day reminiscing over boyhood events. Mr. Root and Mr. Stokes were raised together at Durand, Wisconsin, and had not met each other for two score years until today. Mr. Stokes was for years a locomotive engineer on the Chicago, St. Paul, Minneapolis & Omaha railway, but has been out of service for the past 20 years. During his sojourn in Florida Mr. Stokes landed a gamey tarpon and will take it home mounted as a trophy of his visit. During the "big freeze" just 20 years ago Mr. Stokes was a visitor to Daytona, but since that time has been spending his winters in Texas and California mostly.
